

# DRUG DISPOSAL PROGRAM

## Henderson County Sheriff's Office

**Need to discard your expired or unused medications?**

Bring them to the Henderson County Sheriff's Office Lobby located at 100 North Grove Street. The Sheriff's Office provides citizens with a free, environmentally safe, and convenient way to dispose of medications from their homes, reducing the possibility of accidental or intentional misuse and/or theft.

- The office is open during public business hours  
(Monday-Friday 8am-5pm)
- Check in at the front desk for instructions
- We accept prescription pills, capsules, ointments, vitamins, liquids in their original containers, inhalers & patches
- Chemo medications & sharps/needles will not be accepted
- Located at 100 North Grove Street in Hendersonville

Since Sheriff McDonald implemented the drug disposal program in 2013, over 2,700 pounds of medications have been incinerated. A converted U.S. postal service drop box was donated to act as a permanent collection site throughout the week and a state-of-the-art medical waste incinerator was purchased with drug forfeiture funds.

The Sheriff's Office also participates in pill take back events throughout the year at various community events. These events are great opportunities and reminders to clean out your medicine cabinet. Keep in mind, you can drop off your medications every weekday throughout the year in the Sheriff's Office lobby. If you have any questions, call 828.697.4596.
